

PROFESSIONAL LINEMARKING

Where to begin with such a strong history and future.....
At Carparkking Pty Ltd Line-marking is our forte and we love doing it!!! We have collectively resourced and built a team which we are proud to call ours, with over 75 years' collective experience in line-marking and other associated works and that's without exaggeration.

All our employees (kingsmen) pride themselves on quality, performance and reliability! Together with our can do attitude, our massive amount of collective experience and high quality assurance procedures we have built a reputation in the industry which is second to no company. We do what it takes to get the job done right and to a high quality standard, first time – every time.

We Operate in all kinds of facilities including but not limited to Construction sites, New Carparks, Old Carparks, Schools, Shopping Centres, Warehouses, Freight Terminals, Airports, Railway, Helipads, Naval bases, Army bases, Airforce bases, Visually impaired facilities, sports courts, small roads and many more

We offer a large variety of specialty and common line-marking solutions as listed below;

- Standard Stencilling including wording, numbers, arrows, symbols and also Custom-made stencilling like logos that are made to order (Can be customized to almost any stencil you may require)
- Standard lines including carbay lines, safety walkway lines, boundary lines, truck lines, stop lines, give way lines, bike path lines, forklift lines, pallet storage lines and much more.
- Hazard marking including stair edge highlighting, kerb markings, fire exit markings, keep clear markings, chevron hatching markings – both bars and lines, shared zone marking, fire curtain marking, pedestrian pathway crossing markings, drain highlighting, confined space markings, Driver safety zones, Storage Areas and much more.
- Visual impaired markings including post and pole highlighting, potential fall markings, potential trip markings, hand rail markings, stair edge markings as well as anything else that may be required to minimise danger for the visually impaired.
- School playground markings including snakes and ladders, snails, Hopscotch, snakes, dragons, crocodiles, dinosaurs, targets, maps and much more.
- Specialty markings including but not limited to Aviation, Defence, Rail, Freight, Road and Hospital markings such as Helipads, Hangar marking, Railway markings, Container stacking bays, Gantry markings, Small Road markings and much more.
- Sports courts including basketball courts, netball courts, tennis courts, hand ball courts and much more

MORE THAN JUST A CARPARK:
The gateway to your kingdom!

PROFESSIONAL LINEMARKING

We use only the best quality paints fit for purpose to ensure every job is completed to the highest possible standard every time.

All our employees are under fulltime employment, so our carpark line-marking works are completed internally to our strict company quality assurance procedures and not sub contracted like many other companies.

This ensures that you are only dealing with workers trained to our standards and procedures giving you peace of mind that you can expect the same high quality of work, performance, happy staff and reliability every time.

We love what we do!!!!
